The Club

WHO.....?

-Decides where the next picnic is going to be?

-Passes judgment on the best place for a dance?

-Decides what kind of refreshments are best at the dance? What kind of music?

-Will have the loudest voice in deciding the Club's policy on these as well as other activities?

YOU! THAT's WHO! That is, IF you get on the ball and answer questionnaires like the one on Page 4. Go on, answer it - it's painless and will give you a chance to make your opinion heard in the right place. RIGHT NOW, take a pencil in hand and fill out the survey - tear it off and mail to: FA Club, VP for Social Activities, Rosina Jacobi, Mail Room, HQ-354. WE WANT YOUR OPINION!

VOTE for your preference on one of the first 5, and for your PICNIC PREFERENCE on No. 6.

ART NOTE....

Mr. Abner Cohen, the FA Club's Art Instructor, reports the Art Class is now getting into oils and are all enjoying themselves. Ab says its a little early to tell how many Rembrandts are in the class but he is working on it. Incidentally, Ab is thinking about starting a double class next time to take care of different levels of ability. Anyone interested in joining an advanced class, or interested in some particular phase of art study, should call Mr. Cohen - Ext. 25573.
